Onion Hair Care

Onion care.
Root to tip.

Onion Shampoo Retinol &
Onion Conditioner Peptide

500 mL × 2 | MADE IN KOREA

A fresh scalp. Softer hair.

Purple onion meets retinol and peptides in a complementary hair care duo.

A refreshing scalp cleanse

A rich lather washes away excess oil and buildup.
Menthol and menthyl lactate add a cooling feel.

Nourishment for rough lengths

The conditioner combines 11 peptides and 8 proteins.
It softens rough lengths and helps ease tangles.

A smooth, glossy finish

Argan, coconut and camellia oils condition the hair.
Dry ends feel softer and look smoother.

Different needs. One wash routine.

Cleanse the scalp, then condition the lengths.

An oily scalp

When sweat and oil leave the scalp feeling heavy.
A fresh, clean finish makes a difference.

Rough, tangled lengths

When dry ends catch on the comb.
Conditioning helps hair feel more manageable.

Flat-looking hair

When roots look flat and ends feel dry.
Give the scalp and lengths their own care.

Purple onion at the heart

Onion bulb extract is the shared ingredient in both formulas.

Retinol in the shampoo

Retinol, biotin and collagen complement the onion extract.
The formula combines cleansing with scalp conditioning.

Peptides in the conditioner

Peptides, proteins and plant oils complement the onion extract.
The formula focuses on softness and smoother lengths.

Clean roots.
Cooling freshness.

Onion Shampoo Retinol · 500 mL / 16.9 fl oz

A lather that lifts away buildup

The translucent purple gel creates a rich lather.
It cleanses the scalp and hair.

A refreshing feel as you wash

Menthol and menthyl lactate provide a cooling sensation.
A refreshing wash for hot, humid days.

More care for the scalp

Selected ingredients alongside onion bulb extract.

Retinol · Vitamin E

Retinol, retinyl palmitate and tocopherol are part of the formula. Familiar skincare ingredients, brought into scalp care.

Biotin · Collagen

Biotin and collagen extract complete the blend.
Selected for a scalp-and-hair conditioning formula.

Botanical extracts

Persimmon, camellia leaf and carob fruit extracts are included.
They sit alongside a broader blend of botanical ingredients.

Softness through the lengths

Onion Conditioner Peptide · 500 mL / 16.9 fl oz

Peptide and protein conditioning

A blend of 11 peptides and 8 proteins conditions the hair.
Rough lengths feel softer and more manageable.

Plant oils for softness and shine

Argan, coconut and camellia oils coat the hair.
Dry, frizzy lengths look smoother and feel conditioned.

11 +8 +3 for softer hair

Peptides, proteins and oils in one conditioning formula.

11

Peptides

11 peptides, including copper tripeptide-1 and acetyl hexapeptide-8.

8

Proteins

Milk protein extract plus hydrolyzed corn, oat, wheat, potato, rice, soy and pea proteins.

3

Plant oils

Argan kernel, coconut and camellia seed oils help condition and smooth the hair.

Purple gel.
Soft cream.

Two complementary textures with a light citrus scent.

Shampoo · Translucent purple gel

Lathers to cleanse the scalp and hair.
Rinses away with a refreshed feel.

Conditioner · Milky purple cream

Spreads smoothly through wet lengths.
Leaves the hair soft and manageable after rinsing.

Your two-step hair care routine

Cleanse first, then work conditioner through the lengths.

01 Cleanse with shampoo

Wet the scalp and hair thoroughly.
Lather and gently massage.
Rinse thoroughly.

02 Follow with conditioner

Apply evenly to damp hair after shampooing.
Leave on for a few minutes, then rinse thoroughly.
